Slot Width:

0.500 inches

Slot Length:

0.880 inches

Material Thickness:

0.250 inches

End Application:

2350-01-248-7620

Material:

Aluminum alloy 5086

Material Specification:

Qq-a-250/7 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
