Overall Length:

2.375 inches

Overall Width:

1.000 inches

Material Thickness:

0.375 inches

Mounting Hole Diameter:

0.375 inches

Mounting Hole Type:

Threaded

Hole Quantity:

3

Material:

Steel comp 1018 or steel comp 1020

Material Specification:

Aisi assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
