End Application:

2550-00-808-7100

Special Features:

Mounting bracket fabricated, clean and treat, class 1a specification mil-c- 5541, prime ep0xy-polyamide, type ii dry film thkns .6 to .9 mils specification mil-p-23377, coating, polyurethane color no34083 forest green dry film thkns 1.8 mils min specification mil-c-46168, apply per mil-std-130; height 35.19in., width approx 33.50in refer dwg 12362070

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-p-23377 spec.
