Special Features:

0.050 in. Thk; 1 hole 0.256 in. Min and 0.263 in. Maximum dia; bushing included

Material:

Steel comp 321

Material Specification:

Ams5510 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10600
