Overall Length:

0.440 inches

Overall Width:

0.250 inches

Material Thickness:

0.090 inches

Mounting Hole Diameter:

0.086 inches

Mounting Hole Type:

Countersunk and threaded

Hole Quantity:

2

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
