Slot Width:

Between 0.220 inches and 0.226 inches

Slot Length:

0.380 inches

Width:

11.310 inches

Length:

3.940 inches

Securing Device Type:

Special

Mounting Opening Shape Style:

Closed vertical slot

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061-t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
