Overall Length:

3.938 inches

Overall Width:

2.000 inches

Material Thickness:

0.187 inches

Mounting Hole Diameter:

0.406 inches

Mounting Hole Type:

Plain

Hole Quantity:

3

Material:

Steel comp 316l

Material Specification:

Qq-s-766 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
