Overall Length:

7.450 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

6.946 inches

Mounting Facility Quantity:

2

Thread Size:

0.190 inches

Color:

White handle

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
