**Thread Length:**

0.500 inches left internal (includes through thread)

**Diameter:**

0.438 inches

**Length:**

Between 0.910 inches and 0.930 inches

**Cross-sectional Shape:**

Round

**Material:**

Copper alloy 172

**Material Specification:**

Qq-c-530, alloy 172 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A08900
