Overall Length:

7.750 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

7.000 inches

Mounting Facility Quantity:

2

Handle Clearance:

1.563 inches

Special Features:

Countersink 82.0 degrees by 0.510 in. Diameter two mtg holes

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
