Overall Length:
4.110 inches
Center To Center Distance Between Mounting Facilities Parallel To Length:
3.750 inches
Mounting Facility Quantity:
2
Handle Clearance:
0.750 inches
Thread Size:
0.190 inches
Color:
Red handle
Material:
Aluminum alloy 6063
Material Specification:
Qq-a-200/9, t6 federal specification single material response
Surface Treatment:
Lacquer
Thread Series Designator:
Unc
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A250a0
