Overall Length:

4.110 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

3.750 inches

Mounting Facility Quantity:

2

Handle Clearance:

0.750 inches

Thread Size:

0.190 inches

Color:

Red handle

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200/9, t6 federal specification single material response

Surface Treatment:

Lacquer

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
