Overall Length:

70.750 inches

Overall Width:

47.000 inches

Overall Thickness:

0.500 inches

End Application:

P/n 7000952; an/tpn-19

Mounting Method:

Unthreaded hole

Mounting Facility Diameter:

0.128 inches

Surface Treatment:

Cadmium and phosphate

Surface Treatment Specification:

Qq-p-416, type 3, class 1 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
