Tube Outside Diameter For Which Designed:

0.625 inches

Overall Diameter:

1.670 inches

Design Type:

Friction

Round Cap Outside Surface Condition:

Serrated

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
