End Application:

Aircraft model mh-53e

Product Name:

Cover, race track access amcm sponson

Special Features:

End item is mh-53e

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/18 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
