**Overall Length:**

2.000 inches

**Overall Height:**

2.600 inches

**Overall Width:**

3.250 inches

**Mounting Hole Type:**

Plain

**Base Thickness:**

0.100 inches

**Leg Thickness:**

0.160 inches

**Hole Quantity:**

8

**Angle:**

90.0 degrees

**Distance From End To Leg Along Length:**

0.920 inches

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-200/16 t6 federal specification single material response or qq-a-200/8 t6 federal specification single material response

**Style Designator:**

Center projection

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
