Width:

0.156 inches

Overall Height:

0.440 inches

Material Thickness:

0.086 inches

Length:

2.250 inches

Material:

Plastic polyhexamethylene amide or plastic polycaprolactam

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
