Overall Height:

Between 0.1410 inches and 0.1730 inches

Design Type:

Solid

Special Features:

diameter is 0.870 in. Min to 0.890 in. Max, contains 8 lugs

Material:

Steel, ams 5510

Material:

Steel comp 321

Material Specification:

Ams 5510 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
