Width:

0.375 inches

Thickness:

Between 0.122 inches and 0.124 inches

Mounting Hole Diameter:

0.172 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Steel comp 1020

Material Specification:

Qq-s-663 federal specification single material response or od8853, ty a, gr2 mfr ref 2nd material response

Surface Treatment:

Phosphate manganese

Shape:

Special

Surface Treatment Specification:

Dod-p-16232, tym, cl 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

spec.
