Width:

4.880 inches

Thickness:

0.080 inches

Length:

6.750 inches

End Application:

2350-01-305-0028 m109a3e2

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
