**End Application:**

Goes on abf499 af1 m109a3e2 modified

**Special Features:**

Mount hole thread series: nc; mount hole thread size: 0.325in

**Material:**

Steel

**Material Specification:**

Sae 1018 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536n0
