Width:

2.000 inches

Thickness:

0.1196 inches

Length:

36.380 inches

Mounting Hole Diameter:

0.281 inches all holes

Mounting Hole Quantity:

7

Mounting Hole Type:

Unthreaded

Special Features:

Color green

Material:

Steel comp 1137 or steel

Material Specification:

Astma a109 assn standard 1st material response or astm a569 assn standard 1st material response

Surface Treatment:

Paint polyurethane

Shape:

Special

Surface Treatment Specification:

Mil-c-46168 military specification 1st treatment response or mil-c-53039 military specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-46168 spec.
