End Application:

Goes on abf499 af1 m109a3e2 modified

Special Features:

Mount hole thread series: nc; mount hole thread size: 0.375in

Material:

Steel

Material Specification:

Sae 1010 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0
