Chamfer Length:

0.120 inches

Overall Length:

12.560 inches

Distance From End To Hole Center:

0.620 inches

Drilled Hole Location:

Both ends

Overall Diameter:

Between 1.950 inches and 1.952 inches

Material:

Stainless steel

Material Specification:

Qq-p-35 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
