End Application:

Gps user equipment

Special Features:

Plastic polycarbonate resin black color iaw 820-1503-020; item is boomerang shaped with each end being 0.200 in. Wide, 0.750 in. Min to 1.500 in. Maximum length, inside radius of bend is 0.560 in., outside bend radius is 0.310 in., contains 2 holes with 0.213 in. Diameter, 0.230 in. C to c distance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
