Stock Diameter:

0.063 inches

Inside Length:

Between 0.940 inches and 1.060 inches

Distance Between Ends:

0.400 inches

Mounting Method:

Yoke

Special Features:

Mtg base is passivated, qq-p-35

Color:

Black

Material:

Steel comp 302

Material Specification:

Astm a580 assn standard 1st material response or astm a313 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
