Width:

3.875 inches

Thickness:

0.032 inches

Length:

6.220 inches

Mounting Hole Diameter:

0.136 inches all holes

Aperture Length:

2.348 inches

Aperture Shape:

Special

Material:

Steel comp 304

Material Specification:

Qq-s-763, class 304 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
