Width:

1.310 inches

Thickness:

0.063 inches

Length:

1.500 inches

Mounting Hole Diameter:

0.140 inches all holes and 0.145 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Special Features:

Item has two studs p/n 5030335-3

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Surface Treatment Specification:

Mil-f-14072, e512 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-f-14072 spec.
