Width:

2.876 inches

Edge Shape:

Oval, multi holes

Length:

3.876 inches

Special Features:

Spacer is part of item

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250.13, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
