**Width:**

2.000 inches

**Thickness:**

0.375 inches

**Length:**

24.000 inches

**Mounting Hole Diameter:**

0.531 inches all holes

**Mounting Hole Quantity:**

2

**Mounting Hole Type:**

Unthreaded

**Special Features:**

Both ends chamfered 0.600 in.

**Material:**

Steel

**Material Specification:**

Sae j403 assn standard single material response

**Surface Treatment:**

Oxide

**Shape:**

Rectangular

**Surface Treatment Specification:**

Mil-c-13924, cl 2 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0

**Mil-std (military Standard):**

Mil-c-13924 spec.
