Width:

0.250 inches

Mounting Method:

Unthreaded hole

Section Length:

Between 18.470 inches and 18.530 inches

Side For Which Designed:

Left hand

Material:

Aluminum alloy 2014

Material Specification:

Qq-a-200/2, t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100

Mil-std (military Standard):

Mil-a-8625 spec.
