Material Thickness:

0.165 inches

Mounting Hole Diameter:

0.120 inches

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

Body Width:

1.540 inches

Mounting Method:

Unthreaded holes

End Application:

F-15

Reversible Feature:

Not included

Hinge Pin:

Not included

Knuckle Type:

Friction

Material And Location:

Aluminum alloy, 7075

Surface Treatment And Location:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
