Overall Length:

6.3125 inches

Thread Size:

0.3125 inches

Special Features:

Handle has 2 position adjustable to 90.0 degrees base; 2 hex nuts and 2 flat washers included

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Qq-p-35, type 2 federal specification single treatment response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
