Width:

6.500 inches

Thickness:

0.063 inches

Length:

7.360 inches

Mounting Hole Diameter:

0.143 inches all holes and 0.149 inches all holes

Mounting Hole Quantity:

10

Mounting Hole Type:

Unthreaded

Special Features:

Two slots and two additional holes included

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
