End Application:

1560-01-128-2456 aircraft elevator, s-3a/b acft

Surface Treatment And Location:

Anodized, mil-a-8625 and plastic, polyurethane

Special Features:

Surface treatment includes epoxy polyimide prime mil-p-85582 type ii, finish color is white no. 17875, dimensions shown 1.870 in. W., 2 holes 0.900 in. Dia. And 0.125 in. Dia. X o.190 in. Deep

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
