Overall Length:

2.750 inches

Overall Height:

3.250 inches

Overall Width:

3.000 inches

Mounting Hole Type:

Plain

Base Thickness:

0.750 inches

Leg Thickness:

0.750 inches

Hole Quantity:

5

Angle:

90.0 degrees

Distance From End To Leg Along Length:

1.000 inches

Material:

Steel comp 1026 or steel comp 1029 or steel comp 1030

Material Specification:

Astm a36 assn standard all material responses

Style Designator:

Center projection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
