Width:

7.380 inches

Thickness:

0.250 inches

Length:

10.500 inches

Mounting Hole Diameter:

0.376 inches all holes and 0.380 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Special Features:

1 handle, 2 pins and 1 stud included; all steel, qq-s-763, type 321

Material:

Steel comp 321

Material Specification:

Ams 5510 assn standard single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
