Overall Length:

9.250 inches

Overall Width:

1.000 inches

Material Thickness:

0.125 inches

Mounting Hole Diameter:

0.250 inches

Hole Quantity:

1

Special Features:

One hole 0.390 dia

Material:

Steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Mil-f-14072 e-300 military specification single treatment response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-f-14072 spec.
