Width:

2.440 inches

Thickness:

0.250 inches

Length:

2.750 inches

Mounting Hole Diameter:

0.138 inches first hole

Mounting Hole Quantity:

4

Thread Size:

0.086-56 or 0.138-32

Mounting Hole Type:

Threaded

Screw Thread Series Designator:

Unc

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
