Securing Device Type:

Special

Material:

Steel uns k11918 and steel

Material Specification:

Mil-a-12560 military specification 1st material response and mil-a-46177 military specification 2nd material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0

Mil-std (military Standard):

Mil-a-12560 spec.
