**Securing Device Type:**

Special

**Material:**

Steel uns k11918 and steel

**Material Specification:**

Mil-a-12560 military specification 1st material response and mil-a-46177 military specification 2nd material response

**Surface Treatment:**

Paint

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0

**Mil-std (military Standard):**

Mil-a-12560 spec.
