Overall Length:

2.500 inches

Overall Height:

0.870 inches

Overall Width:

12.660 inches

Mounting Hole Type:

Plain

Hole Quantity:

12

Angle:

90.0 degrees

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11, t73511 federal specification single material response

Style Designator:

Center projection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
