Width:

0.750 inches

Thickness:

0.040 inches

Length:

24.250 inches

Mounting Hole Diameter:

0.192 inches all holes and 0.196 inches all holes

Mounting Hole Quantity:

17

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
