Overall Length:

1.870 inches

Overall Height:

0.420 inches

Overall Width:

0.600 inches

End Application:

Lantirn targeting pod

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
