Overall Length:

2.750 inches

Overall Height:

1.880 inches

Overall Width:

3.150 inches

Mounting Hole Type:

Plain

Base Thickness:

0.156 inches

Leg Thickness:

0.156 inches

Hole Quantity:

5

Angle:

90.0 degrees

Distance From End To Leg Along Length:

1.070 inches

Special Features:

Opposite 406-030-200-102

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11-t6511 federal specification single material response

Style Designator:

Center projection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
