**Overall Length:**

1.410 inches

**Overall Width:**

0.970 inches

**Material Thickness:**

0.500 inches

**Mounting Hole Diameter:**

0.152 inches

**Mounting Hole Type:**

Plain and threaded

**Hole Quantity:**

4

**Special Features:**

Thd mtg holes 0.138-32 unc-2b 2 places

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11-t651 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-a-8625, type 2 military specification single treatment response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0

**Mil-std (military Standard):**

Mil-a-8625 spec.
