Overall Length:

1.410 inches

Overall Width:

0.970 inches

Material Thickness:

0.500 inches

Mounting Hole Diameter:

0.152 inches

Mounting Hole Type:

Plain and threaded

Hole Quantity:

4

Special Features:

Thd mtg holes 0.138-32 unc-2b 2 places

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11-t651 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-a-8625 spec.
