Overall Length:

8.000 inches

Overall Height:

10.750 inches

Overall Width:

2.500 inches

Mounting Hole Type:

Plain

Base Thickness:

0.375 inches

Leg Thickness:

0.250 inches

Hole Quantity:

7

Angle:

90.0 degrees

Distance From End To Leg Along Length:

3.750 inches

Material:

Steel

Material Specification:

Astma36 assn standard single material response

Surface Treatment:

Paint

Style Designator:

Center projection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
