**Flange Thickness:**

0.500 inches

**Overall Height:**

Between 1.999 inches and 2.000 inches

**Design Type:**

Flange

**Special Features:**

3 holes equally spaced thd 0.190unc-2b

**Material:**

Copper alloy

**Material Specification:**

Mil-b-5687, type 1, comp a military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536n0

**Mil-std (military Standard):**

Mil-b-5687 spec.
