Flange Thickness:

0.500 inches

Overall Height:

Between 1.999 inches and 2.000 inches

Design Type:

Flange

Special Features:

3 holes equally spaced thd 0.190unc-2b

Material:

Copper alloy

Material Specification:

Mil-b-5687, type 1, comp a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536n0

Mil-std (military Standard):

Mil-b-5687 spec.
